

# “A Conceptual Journey”

MONDAY, APRIL 24, 2017, 5:00 PM, RAPSON 100

Three architectural commissions from Poland will exemplify different design processes and spatial conditions. Presented by **Professor Bolesaw Stelmach**, the lecture will discuss how diverse conceptual motivations have resulted in particular design decisions and what happened after these projects had been completed.

Professor Bolesaw Stelmach, architect, professor, and founder of Stelmach and Partners Architectural Office in Lublin, Poland. Bolesaw Stelmach is a winner of many international and Polish architectural competitions.
